Sir,

I have the honour to request that the Sanction of Government may be obtained to the issue of a 3rd edition of the Manual of Instructions to Port Officials which is now in the Press and proof of which is herewith Sent. The title of the book has been changed to "Port Manual" as being more appropriate and less inconvenient for quotation on account of brevity. Chapter I of the Manual has been recast in a more Suitable form, and Some few additions and

and modifications have been made in the following Chapters and Appendices which are based on Orders of Government and Departmental Orders which have been passed since the issue of the 2nd edition in 1895 (See G.O. No. 380, Marine, dated 11th December, 1895.) The Notifications and Rules under the Native Passenger Ships Act, being less voluminous now that the greater portion thereof relating to pilgrim Ships has been Separately issued by the Government of India under Act XIV of 1895, have been brought in as an Appendix instead of being published as a Separate volume.

2. A Table of Contents and Index will be added to the book.

3. As the whole matter is in type early orders are requested to prevent any inconvenience to the Press.

I have the honour to be,
Sir,
Your Obedient Servant,
A. Abbott
Commander, R.I.M.,
Presidency Port Officer.
