NOTE FOR THE *CS*

The charge is met
from Port + Marine Funds. The
P. P. O. ~~initially~~ can apparently
meet the charge from the provision
for Lightkeepers - as the charge
is an annual recurring one.
Marine ~~Dept.~~ might however be asked
to make certain on this point?

It will be seen from the
accompanying note from the
Presidency Port officer that it
is proposed to meet the charge
during the current year from
savings under the same
minor head.
