GOVERNMENT OF MADRAS.
MARINE DEPARTMENT.

READ—the following paper :—

From Lieutenant-Colonel E. DEBRATH, Deputy Secretary to the Government of India, Marine Department, to the Secretary to the Government of Madras, Marine Department, dated Simla, 26th July 1899, No. 403.

I am directed to refer to your letters No. 375 (Marine), dated the 28th April 1899, and No. 659 (Marine), dated the 13th July 1899, requesting that the provision of a steamer may be sanctioned for Provincial and Local services in the Madras Presidency.

2. I am to say that before passing orders in the matter, the Government of India will be glad to receive precise information as to (1) the size and type of vessel which the Government of Madras consider best suited to their requirements, and (2) the average amount of use that will be made of the vessel in respect to the public purposes for which she is considered to be required.

ORDER—No. 770, Marine, dated 15th August 1899.

It is observed that the vessel is required for the following purposes :—

- (1) Inspection of outports by the Marine and Public Works Departments.
- (2) Annual inspections of the Laccadives by the Revenue Officers.
- (3) Tour inspections of His Excellency the Governor.
- (4) The conveyance of treasure, stores and military details, when the steamer is not required for the above purposes.

2. The Presidency Port Officer will report as to the size and type of vessel most suitable for the objects in view, and the following authorities will afford the requisite information as to the average amount of use that will be made of the vessel :—

- (1) The Military Secretary in regard to tour inspections of His Excellency the Governor.
- (2) The Presidency Port Officer as regards the inspection of outports on behalf of the Marine Department.
- (3) The Chief Engineer as regards inspections by the Public Works Department.
- (4) The Political Department in respect to inspections of the Laccadives.
- (5) The Revenue Department as regards inspections required in that department.

3. The Lieutenant-General Commanding the Forces will also be requested to be so good as to favour the Government with information as to the use which the Military Department may be expected to make of the vessel for the conveyance of treasure, stores and military details.
