The Port Officer
Lochin

Dir,

With reference to our interview with you some little time back about obtaining the Government's Sanction for the construction of our jetty we should esteem it a favour if you would again communicate with Government asking them to let us have a reply at the earliest possible opportunity. We are at present having great difficulty in loading and unloading our ordinary Asiatic cargo and as we expect several London Steamers very shortly we should like to have the work put in hand at once.

The jetty is at present
in a fairly unsafe condition and
if we are not able to do something
to

to it at once we fear accidents
may happen.

Thanking you in anticipation,

We beg to remain, Sir,

Your most Obedient Servants

Jos Peirce Leslie & Co
