READ—again the following papers:—

G.O., No. 604, Financial, dated 21st September 1896.

ABSTRACT.—Approving the suggestion of the Accountant-General that he may be allowed to forward to Government in future proposition statements in duplicate so as to admit of one of the copies being returned to him with the sanction of Government written across it; and circulating to Secretariat departments and heads of departments a summary of instructions relating to the preparation and submission of proposition statements.

G.O., No. 785, Financial, dated 24th September 1897.

ABSTRACT.—Recording letter from the Accountant-General stating that the submission of a proposition statement in the case of establishments entertained solely for famine work may be dispensed with; and directing the omission of certain words in rule 12 in the annexure to G.O., No. 604, Financial, dated 21st September 1896.

ORDER—No. 909, Financial, dated 17th August 1899.

The following will be added as rule 12-A in the appendix to G.O., No. 604, Financial, dated 21st September 1896:—

12-A. Where sanction is sought for the first time for the temporary entertainment of plague establishments, the necessity for the submission of proposition statements depends upon the nature of the establishments themselves. If an establishment is entertained solely for plague and forms a *direct* plague charge, it may be regarded as "new" and the procedure of sending proposition statements may be dispensed with. But if the cost of an establishment is treated as an additional charge incurred on an existing establishment in consequence of extra work occasioned by plague, proposition statements must be submitted.
