GOVERNMENT OF MADRAS.

PUBLIC DEPARTMENT.

READ—the following paper :—

From H. LUSON, Esq., Deputy Secretary to the Government of India, Home Department (Establishments), to the Chief Secretary to the Government of Madras, dated Simla, 29th July 1899, No. 443.

It has been noticed that Local Governments and Administrations usually place the services of military officers leaving civil employ under the provisions of article 679 (a) of the Civil Service Regulations, on attaining the age of fifty-five years, at the disposal of the Government of India after they have vacated their appointments. As this procedure causes inconvenience to the military authorities, I am to request that, if the Governor in Council sees no objection, the notification replacing the services of such an officer at the disposal of the Government of India may be issued at least a month before the date on which the officer is to vacate his appointment; and that his services may be replaced at the disposal of the Civil Administrative Department of the Government of India concerned, and not the Military Department as is sometimes done at present.

ORDER—No. 889, Public, dated 9th August 1899.

Recorded. The procedure indicated by the Government of India will be adopted in future.
