Collector of Madras

Sir,

I have the honour in behalf of the Madras Christian College to apply for an extension of the small portion of the Beach already granted as an athletic ground. The portion we apply for is a strip of about 50 yards in width along the north side of the present field. We find that the space at our disposal is somewhat too small for the purposes for which it was originally given.

- (2) That it should be used only for the purposes for which it was granted, viz., as a gymnasium and play ground, and that its use should be restricted to persons connected with the Christian College.
- (3) That no use should be made of it during the time that gun practice is being carried on from the Lighthouse Battery.
- (4) That it should be enclosed with a fence or hedge at the expense of the College authorities.
- (5) That a ~~yearly~~ rental of Rs. 20 per ^{annum?} mensem should be ~~paid~~ paid for its use to the Collector of Madras.

land together with an area of 5875 sq.ft. in the occupation of the -----
college authorities in excess of the original sanctioned grant on the
same terms as before and subject to the proportionate rental of Rs. 14
per annum and the Collector supports the proposal. The Board sees no --
objection to the grant and recommends that the plot applied for may be
granted subject to the conditions proposed.

I went over this play-ground with D. Miller, on the
10th Nov. 1899, and the report for its extension
submitted to me to a reasonable and satisfactory
state. This morning, I showed the
play-ground to the Lt. General, explained
the conditions under which it was granted,
and represented the wish of the Christian Col-
lege for an extension, either to the north or
south, by a strip about 100 yards wide. The
Lieut. General said there could be no possible
objection.

The Lieut. General should be asked for a recom-

which the existing ground has been given, being
