3. But last year when a similar application was received, ~~Mr.~~ Wick's was asked to submit a medical certificate of fitness for further service.

service three months before the completion of his fifty-fifth year. This procedure is, however, not quite in consonance with G.O. 934 Financial, dated 28th November 1895. Orders are accordingly solicited whether this officer should be asked to submit a medical certificate now, to cover an extension for the remainder of the official year 1900-1901. The existing sanction expires on the 2nd November 1900. I think Mr. Wicko, who has been described to me as the best Port Officer in the Port, may be given a further extension of service for one year from 2 Nov: 1900, subject to the production of a medical certificate of fitness 3 months before that date.
