A perusal of the P.V.C. is solicited. The proposal of the Marine department to grant a charge allowance of Rs 35 per mensem to Mr. H. J. Boas, Port Officer, Calicut, for being in charge of the Tellicherry port in addition to his own duties may, it is submitted, be accepted. in Financial

2. As regards the draft order, in which it is proposed to grant this charge allowance under articles 161 and 162 of the C.S.R., it will be seen that the wording follows that adopted in G.O. No. 340 Marine dated 24th August 1907 where a case similar to the present one was dealt with. The A.G., however, challenged the order of Govt in G.O. No. 340 Mar. dated 24th August 1907 on the ground that under art. 169 of the C.S.R. no charge or other allowance could be given in the case in question and he asked that the Govt might be moved to provide for the case by an addition to appendix 6 of the C.S.R., as the allowance could not be said to be

admissible under rules. The Financial Dept. held, with reference to the ruling in para 4, under art. 169 of the C.S.R. on page 29 of the Madras Supplement, which is quoted in the margin,

that the A. G. was correct in his objections. The
 G of I were thereupon asked to empower
 the Local Govt. to grant at ^{their} discretion a
 charge all advance of Rs 35 p.m. in the cases
 in question and to make the necessary
 addition in App. 6. of the C.S.R. The G of I
 sanctioned the proposal of the Madras
 Govt. and this sanction appears as
 item (C) in App. 6 of the 5th Edition of the C.S.R.
 recently issued.

3. Seeing therefore that the grant of charge
 all advance under articles 161 and 162 was
 held to be inadmissible by the A. G. in 1907, it
 does not appear to be correct to refer to those
 articles now as authority for sanctioning
 the charge all advance. Sanction should
 be accorded under ^{Art. 163 C.S.R.} item (C) in App. 6. of the C.S.R.
 and the Marine Dept. may, it is submitted,
 be asked to revise their draft accordingly.
