I have the honor to forward herewith, an application, in original, from Mr. H.J. Boas, Port Officer, Calicut, for combined leave on Medical Certificate for six months, together with a Medical Certificate granted by a Civil Medical Board dated 6th August 1910. As Mr. Boas has since expressed his willingness personally to me, that he intends sailing from India by the S.S. I beg that the sanction of Government may be accorded thereto.

I have the honour to be,

INSTRUCTIONS.

We do hereby certify that according to the best of our professional
judgment, after a careful personal examination of the case, we consider
the health of Captain H.J. Baas
of the Marine service to be such as to render
leave of absence to Europe
for a period of six months absolutely necessary for
his recovery.

President.

E.W. Browne Capt. Ins.
A.C. Ingram M.D. Capt. Ins.

With the cognizance of the head of his office, or if he is himself the head of the office, of the head of his department: the applicant must present himself with 3 copies of the statement of his case in a cover sealed by his medical attendant at the seat of the Government under which he is serving, or at such other place as may be appointed by that Government where a committee of medical officers can be assembled under the orders of the Surgeon-General. The board should see that the applicant fulfils these conditions.

Before deciding whether to grant or refuse the certificate the medical board may, in a doubtful case, detain an applicant under professional observation during a period not exceeding fourteen days.

If it can be avoided, the medical attendant on a case should not be a member of the board which considers it, and under no circumstances can he sit as president. He should, however, be required to attend the board to furnish any information whenever his presence is considered necessary.

The medical board, after a careful examination of the officer, and consideration of the medical attendant's statement of the case, will record in the proceedings as follows:—

(a) Whether change of climate in or out of India is necessary.

(b) The period of absence recommended in or out of India, care being taken that leave in excess of the period to which the sick officer is entitled by regulations is not recommended.

(c) In the case of an officer requiring furlough or leave of absence owing to illness caused directly by intemperance, the medical board, whilst recording their opinion, will confine their recommendation to the officer appearing periodically before fresh boards, or to the treatment of the case as one of discipline, whichever may be deemed necessary.

In urgent cases when a medical board considers it absolutely necessary that an officer recommended for change of air, either in or out of India, should proceed in anticipation of sanction, a recommendation to that effect should, be made in the proceedings.

It has already been decided to grant
leave to Mr. Boas, and to put
Mr. Swan Port Officer, Isleberry,
temporarily in his place, with
additional charge of Isleberry,
pending further arrangements.
The file on the subject was subd.
on the 9th instant in connection
with the minute regarding the
appointment of Mr. Swan to act
as Port Officer, Lieut, and is at
Gota command.

2. A draft order granting the leave
is subd. for approval. With ref. to
to para. 2 of the draft, which is based
on para. 2 of the P.D.O's letter, and
the A.G's endorsement, it is not
clear whether Mr. Swan has
already taken charge at Lieut.

in accordance with the proposals
 already approved and Comd. to the
 P.P.O. by the P.S.F. No information
 could be obtained from the P.P.O.'s
 office on this point. It is not unlikely
 Mr. Swan has already taken charge
 of the Calicut Post Office, Mr. Boas
 cannot be considered to be
 on duty as proposed for the period
 in question, as Mr. Swan would
 claim charge allowance. The
 draft may perhaps issue and the
 matter be considered if the P.P.O. should
 come up again; Or before issuing
 formal orders, the following telegram
 may be despatched: —

Despatch

 "if Swan has already taken
 "charge at Calicut. If so when"
 A telegram is also subd. in the
 draft order.

Dr.
 13/8/00

The telegram at A may perhaps
 issue. Mr. Boas' leave ought
 perhaps to date from the day he
 went before a Medical Board &
 was invalided.

The telegram may issue.

Obviously, both Mr. Boas and Mr. Swan cannot be held to have been in active charge of the Calicut port at the same time, and consequently Mr. Boas cannot get the concession he asks for if Mr. Swan had already taken charge.

Please see telegram received last evening. Till yesterday Mr. Swan had not taken charge of Calicut. Mr. Boas however asks that he may be considered to be in charge till the 19th.
