Bridgetown
27th July 1857

To
The Secretary to Government
Department of Public Works
Port St George

Sir,
With reference to the notifications dated
Port St George 24th Decr. published in the
Port St George Gazette of the same date. I beg
respectfully to bring to your notice, that
in May 1856 I transmitted to the Chief
Engineer, Certificates of qualifications in
Civil Engineering, and Surveying, in accor-
dance with the Rules then laid down in
General Orders; since which period, I
also forwarded by despatch of the Chief
Engineer, a Certificate of my knowledge
of the Spanish language, granted to me
after my examination by the authorities
at this station, and which was published

in the Fort St George Gazette in December last,
but I have not as yet been brought upon
the strength of the Department. I have therefore
the honor to solicit your kind aid, for
which I shall feel grateful and thankful.

I trust it may not be im-
proper my adding, that I was led to
believe more than a year ago, that my
application would meet with consider-
ation; and to enable me to make myself
most proficient in my duties as Probationary
Assistant Engineer, I have been for the
last 13 months working under the orders
of Lieutenant District Engineer of South
Arcot, to whom I beg a reference may
be made, as to my character, conduct,
and qualifications.

In conclusion, I beg to state that
I am prepared to undergo such further
examination, as may be thought necessary
on your giving the requisite orders; but

but having already sent to the Chief Engineer
all the certificates that I was directed to
submit, I trust my case will be brought
to the notice of the Right Honorable the
Governor in Council for favorable con-
sideration, in the hope that I may now
obtain the appointment. I respectfully
ask.

I have the honor to be
Sir

Your most Obedient Servant

Robert Edward Morison

Staff Engineer Works

Secunderabad.

South Arcot

P.S.

My health certificate given me by
Doctor Crawford on my last appli-
cation for an appointment is
herewith enclosed.
