No. 53. Read the following Extract from the Minutes of Consultation in the Ecclesiastical Department, dated 27th May 1857, No. 226.

Read the following letter from the Venerable the Archdeacon of Madras; to E. MALTBY, Esq., Acting Chief Secretary to Government, dated 15th May 1857, No. 314.

SIR,

I have the honor to enclose a letter to my address from the Church Committee of Vepery under date the 9th Instant, which I beg the favor of your submitting to the Right Honorable the Governor in Council.

The road in question not being the property of the Government, the special sanction of his Lordship in Council for its repair at the public expense is required, and I apprehend the concurrence of the representatives of the Incorporated Society for the Propagation of the Gospel to whom it belongs, should be obtained.

As no carriages connected with the Vepery Mission use the road in question, I conclude that the present dilapidation must be considered as being caused *exclusively* by those of the English Congregation.

From the Church Committee, Vepery; to the Venerable the Archdeacon of Madras, dated 9th May 1857.

VENERABLE AND DEAR SIR,

We have the honor to request that you will do us the favor of submitting, for the consideration of the Right Honorable the Governor in Council, our respectful request, that so much of the road on the eastern side of St. Matthias' Church, as passes between the premises of the Gospel Society and those of the Christian Knowledge Society, may be put into repair at the expense of Government. This part of the road in question, although it does not belong to the Government, yet is used by the Congregation attending the English Service at St. Matthias' Church; and it is to the traffic thus occasioned that the present dilapidation of the road is chiefly attributable.
