No. 61. Read the following letter from Colonel C. E. FABER, Chief Engineer; to H. FORBES, Esq., Acting Secretary to Government, dated 6th June 1857, No. 982.

SIR,

1. In Extract Minutes of Consultation No. 895, dated 7th June 1856, I was directed in communication with the Quarter Master General, to submit a plan and estimate of the alterations required to adapt the Jail at Vizagapatam, to the purpose of a Hospital, for Europeans and Natives, and for a Medical Store.

2. The above order was communicated to the Acting Executive Engineer in charge of the District, with Extract from Proceedings No. 4076, dated 16th June 1856, with a request that he would ascertain from the Medical Officer, what alterations were required to the Jail buildings, and forward to the Central office, plans and estimates for carrying them out.

3. Further correspondence which it is needless to refer to particularly, but which is submitted in original, for perusal and obliging return, subsequently passed between this office, the Collector, and Acting Executive Engineer, from which, finding that no steps had been taken for constructing a new Jail, I addressed a letter on the 4th Ultimo, to the Inspector of Prisons on the subject, and have now the honor to submit a copy of that Gentleman's reply, No. 170, of the 25th Idem, for the information of Government.

4. The object of this reference is to show the cause of delay in meeting the requisition of Government, as noticed in para. 1 of this letter.

No. 62. ORDER THEREON, No. 1138; dated 13th June 1857.

Ordered to be referred to the Judicial Department for consideration.
