Fort Saint George, Public Works Consultation of 23rd June 1857.

No. 27. Read the following Extract from the Minutes of Consultation in the Judicial Department, dated 9th June 1857, No. 669.

Read the following letter from Lieutenant Colonel H. COLBECK, Senior Magistrate of Police; to E. MALTBY, Esq., Acting Chief Secretary to Government, dated 4th June 1857, No. 14.

SIR,

I have the honor to request you will submit to the Right Honorable the Governor in Council my suggestion that an Engineer from the Department of Public Works might be instructed to inspect the Eastern and Southern boundary of the compound of the Royapet Police Court, as the two faces I have alluded to require (in my opinion) to be enclosed by a wall as at present in rear of the Jail and extending for some yards towards the Southern gate into Triplicane; the whole is exposed and open and unrestricted ingress and egress is maintained by the people living close to the borders of the compound, causing noise, dirt and inconvenience.

The observations regarding the Eastern apply also to the Southern face and I think if a competent person were directed to inspect it, he would make some suggestions for an enclosure.

Referred to the Public Works Department with a view to the necessary orders being passed on the subject referred to by the Senior Magistrate of Police.

(True Extract and Copy.)

Acting Chief Secretary.
