Fort Saint George, Public Works Consultation of 23rd June 1857.

No. 77. Read the following letter from Colonel C. E. FABER, Chief Engineer, to H. FORBES, Esq., Acting Secretary to Government, dated 10th June 1857, No. 1093.

SIR,

With reference to my letters, Nos. 282 and 341 dated the 13th and 15th Ultimo, regarding renting Mr. William's House for the Civil Architects Office, I have the honor to submit in original a letter addressed to me by Major Anderson in which he tenders his house for sale to Government at a fair valuation. The house is situated on the spur tank. Major Anderson requests to be furnishd with an early reply as he is about to proceed to England early this month. I considered it proper to take the opinion of the Civil Architect regarding this offer also before submitting the letter to Government, and the Government will see from Lieutenant Colonel Atkinson's two letters on the subject herewith forwarded that he gives the preference to Mr. William's house and as I fully concur with him in his reasons for doing so I beg to recommend that Major Anderson's offer be declined.

Dated 13th May 1857.

Dated 4th and 8th June 1857, Nos. 341 and 346.

No. 78. ORDER THEREON, No. 1207; dated 22nd June 1857.

The Chief Engineer submits a letter from Major Anderson, offering his house for sale for the Civil Architect's office. Lieutenant Colonel Atkinson, whose opinion was called for regarding the tender, gives the preference to Mr. William's house, and it is concurred in by Colonel Faber. The objection of distance urged by the Civil Architect deserves great weight, and the Government accordingly confirm the sanction granted in Extract Minutes Consultation dated 13th June 1857, No. 1144, para. 10, for renting Mr. William's house for one year for a sum not exceeding 130 Rupees per mensem.

2. Resolved that Brevet Major. A. C. Anderson H. M's. 86th Regiment, late Brigade Major H. M. Forces, be informed, in reply to his letter of 1st June 1857, that the Government are not prepared to purchase the house which he has offered for the office of the Civil Architect.

Acting Secretary to Government.
