Dated

1st Sep

19 1857

Not to be folded or roughly handled

Sterus
Mr H. B. Smith Esq
Executive Engineer 14th Class
Department Public Works
Improvement Stations
Yamoussoukro in India

Admitted 6th August 1857.
The patient states that he has of
late been much surprised to the Sun.
That for some months he has complain-
ed of a dragging pain in the region
of the Liver. That his appetite has
been impaired and that his Bowels
have been irregular and his evacua-
tions clay colored. He further
states that the symptoms of Jaundice
came on about 3 weeks since,
but he was not in a position to
receive Medical advice.
His skin is now of a bright
yellow hue. His Tongue is much
coated. He complains of Nausea
and loss of appetite. His Bowels
are confined and his Urine is
scanty and of a dark color.
