Mr. H. B. Smith 6th
Executive Engineer 4th Class
Department Public Works
Temporary Bilions
from President in India.

Admitted 6th August 1867.
The patient states that he has of late been much exposed to the Sun. Sent for some months he has complained of a dragging pain in the region of the Liver. That his appetite has been impaired and that his Bowels have been irregular and his evacuations clay coloured. He further states that the symptoms of Jaundice come on about 3 weeks since, but he was not in a position to procure Medical advice.
His Skin is now of a bright Yellow hue. His Tongue is much coated. He complains of Nausea and loss of appetite. His Bowels are confined and his Urine is scanty and of a dark colour.
