No. 21. Read the following Extract from the Proceedings of the Chief Engineer, dated 9th June 1857, No. 1025.

Read the following letter from Lieutenant J. F. FISHER, District Engineer Bellary; to the Chief Engineer, dated Ramandroog, 13th May 1857, No. 25.

SIR,

As Gooty is about to be given up as a Military Station, and for that Executive range, Anantapoor is more convenient as a fixed Station, I beg to propose with reference to Extract from your Proceedings No. 12151, dated 28th April, that all Public buildings at Gooty, and on the Hill be sold by Public Auction for what they will fetch.

Resolved, to forward for the orders of Government copy of the letter No. 25, dated 13th May 1857, from the District Engineer of Bellary, with the Chief Engineer's recommendation, that all the public buildings at Gooty, and on the Hill, be sold at Public Auction. The buildings having been made over to the Public Works Department, his Excellency the Commander in Chief declines to give any opinion regarding their disposal.

(Signed) C. E. FABER, Colonel,
Chief Engineer.

No. 22. ORDER THEREON, No. 1240; dated 25th June 1857.

The Chief Engineer submits a letter from the District Engineer of Bellary, proposing that all Public Buildings at Ghooty and on the Hill, lately made* over to the Department of Public Works, may be sold by Public Auction, and recommends that the proposition may at once be carried into effect, without affording any information as to their number and present state.

Do. do. April 6th 1857 No 636.

2. Before acceding to this recommendation, the Government wish to know how many Buildings there are, both at Ghooty, and on the Hill, in what condition they are, and what is their estimated value. Lieutenant Fisher will now be called upon to submit a list of the Buildings, with the information required, and he will be requested to state what he proposes should be done with the Fortress on the Upper Hill, in which some of these buildings appear to be situated, and in which state Prisoners have been heretofore confined. The Collector of Bellary will be consulted, and his opinion taken on the subject.

3. The Government observe that the Chief Engineer has omitted, in his present communication, to refer to the previous correspondence on the subject under notice, and his attention will again be called to the orders noted* in the margin which require him to quote invariably previous correspondence in all his communications to Government.
