 To Lieutenant J. C. Murry
 Asst District Engineer of A. Arcot
 Sir, I have the honor to request you will
 be good enough to forward to the Chief Engineer
 my application for two months leave commen-
 cing on the 1st of October 1857 to enable me
 to proceed to Bombay. In the mean time
 I shall have all my works in such an
 advanced state that Mr Lee in the north
 side of the Paulur River and Ramanjooloo
 Nelay on the south side will be able to look
 after them and see that they are carried
 on without any loss to Government, and
 on my return I shall most carefully scruti-
 nize the accounts and see that the work
 have been properly done. I beg you will
 at the same time point out to the Chief
 Engineer that the months of October and
 November are the best I could select for
 absentsing myself more particularly this
 year when all the larger works have been
 stopped.

I have the honor to be Sir
