No 63.

To Lieutenant H. Sulloche
Assist.t Engr. Kistnah Division

Sir,

I beg you will have the kindness to obtain for me leave of absence for four Months to proceed to Madras, and Bangalore, on private family affairs.—

I beg to state that it is now eight Years since I last obtained leave, and that in June last Year, I applied for the same leave I now solicit, on which occasion the District Engineer was of opinion that, as my services were required, I could not then be recommended for leave — As it is now more than a Year since I made the application, I trust there will be no objections to my now obtaining it, and will feel thankful by your recommending me for the indulgence I now solicit.—

I am &c.

As Mr. Bance has not been Absent from his duties for a length of time, and was refused leave last Year, I think the leave he solicits might be granted, for owing to the stoppage of all Public Works, his Services can be more conveniently spared now than they may be hereafter.—
