Asst Adjt Colonel

To
The Secretary to Government
Public Works Department

I have this day examined Sub Engineer T. Robertson, I found him confined to bed, and suffering from the effects of long continued fever, which he has been subject to for several Years past, but which has latterly increased so much in severity, as perfectly to unfit him for any work — He has been suffering from repeated attacks of Diarrhea also, and his general health is very much deteriorated; His habits I believe are very irregular, and I see no prospect of his being again fit for duty, unless he is removed from this Division, and I would recommend that he be placed under proper Surveillance.—

(Signed) J.W. Blackwell
Civil Surgeon.

Vizagapatam
6th June 1857.

This is to Certify, that Sub Engineer T. Robertson in the Depart. of Public Works is fit for duty.—
