No. 65. Read the following letter from Colonel C. E. FABER, Chief Engineer; to H. FORBES, Esq., Acting Secretary to Government, dated 20th July 1857, No. 2199.

SIR,

I have the honor to forward a Tabular Statement, in the proper form, of an establishment required for working the two Locks lately built on the river Munneyaur amounting to a monthly cost of Rupees 36, or 432 per annum.

2. This establishment is absolutely necessary for rendering the works efficient, and I trust that the sanction of the Government of India may be shortly granted for their entertainment.

3. On the proved efficiency and usefulness of this line of navigation must greatly depend the question of executing similar works in other rivers in Tanjore, and the District Engineer will be authorized to make temporary arrangements for working the Locks this season, and to report the result at its close.

No. 66. Ordered in consequence that the following Statement be despatched.
