In forwarding the accompanying Extract from the Proceedings of the Chief Engineer in the Department of Public Works dated 3rd Instant, N: 14, the Military Auditor General has the honor to inform that, as persons employed in the Public Works Department, by Regulation, allowed only one month

leave of absence, in the Calendar

year without loss of salary, and it appears that Mr. Macnamara obtained a month's privilege leave on the 1st Ultimo, his application for an extension of that leave for 15 days cannot be complied with. He can, however, in reference to para: 9 of G.O. 3rd February 1857, N: 29, be granted 15 days General leave, forfeiting thereby a month's Staff salary during that period.
