Fort Saint George, Public Works Consultation of 11th August 1857.

No. 74. Read the following letter from Colonel C. E. FABER, Chief Engineer; to H. FORBES, Esq., Acting Secretary to Government, dated 29th July 1857, No. 2498.

SIR,

With reference to Extract from the Minutes of Consultation No. 1417, dated 23rd Instant. I have the honor to express regret, that in my letter No. 1750, of the 3rd Idem, the order of Government bringing me to task for referring at length to former correspondence was incorrectly quoted, the order referred to, should have been No. 879, dated 7th May 1857, and not No. 670, dated 9th April 1857.

No. 75. ORDER THEREON, No. 1552; dated 10th August 1857.

The Government can see nothing even in the order now referred to by the Chief Engineer; which can be construed into taking that Officer to task for quoting previous correspondence. In the order alluded to, the Government merely observed that the object of the Chief Engineer in recapitulating the whole Proceedings connected with the Lunatic Asylum from beginning to the end, was not apparent, as they found that all the facts thus brought forward had already been noticed by them in their previous orders.

(Signed) H. FORBES,
Acting Secretary to Government.
