Fort Saint George, Public Works Consultation of 18th August 1857.

No. 14. Read the following letter from Colonel C. E. FABER, Chief Engineer; to H. FORBES, Esq., Acting Secretary to Government, dated 8th August 1857, No. 2795.

SIR,

Government having in Extract from the Minutes of Consultation No. 1182 dated 18th June 1857, called for a report from the Civil Architect, on a suggestion of the Senior Magistrate of Police, to enclose the eastern and southern boundary of the compound of the Royapet Police Court, with a compound wall; I have the honor to forward the accompanying letter from the Civil Architect No. 424, dated 17th July 1857, together with a plan and estimate for a wall on the eastern and southern sides of the compound.

2. The estimate has been prepared on sound data, and the section of the wall is such, as to ensure its stability, if the work be properly executed.

3. As I am of opinion that a compound wall is required for the Police office, I have the honor to recommend that the estimate amounting to Rupees (4,730) four thousand, seven hundred and thirty be sanctioned for execution.

No. 15. ORDER THEREON, No. 1578; dated 14th August 1857.

Ordered to be referred to the Judicial Department.
