Sir,

I have the honor to request that you will do me the favor to place this my application before the Right Honorable the Governor in Council, for His Lordship's permission to be absent at Palmanair and Bangalore, for 30 days on privilege leave, from the 3rd of February 1857, or date of making over charge of the Central Office of P.W. to Capt. Johnston. Ag Supg Engr Northern Circle.-

2 I take the liberty to state that I do not solicit the present indulgence simply for recreation or rest from public business; but in order to obtain the benefit of change of air for an indisposition of some severity, which at present frequently interrupts the usual discharge of duty.. I beg leave to add also, that the present season of the year, in regard to freedom from periodical and other reports would seem to admit of a brief absence from the Central office, with the least possible inconvenience to the public service.-
