No. 29. Ordered that the following letter be despatched.

From H. FORBES, Esq., Acting Secretary to the Government of Fort Saint George; to W. HART, Esq., Secretary to the Government of Bombay, dated 21st August 1857, No. 1620.

SIR,

On the 4th Instant, I had the honor to inform you that this Government had availed themselves of the services of Lieutenant Taylor of the surveying vessel "Pownah," to survey the Harbor at Coringa during the time that his proceedings on the Western Coast were arrested by the South West monsoon.

2. Before Lieutenant Taylor left Madras, he represented that his duties at Coringa would be much facilitated if he were allowed the assistance of Mr. May the 1st Officer of the "Pownah," and as the Right Honorable the Governor in Council is desirous that he should return to his surveying duties on the other coast as soon as the weather will permit, and is of opinion that Mr. May's assistance will tend much to hasten his operations, His Lordship in Council has directed that gentleman to proceed at once to Coringa, and has directed me to request that you will communicate the fact to the Government of Bombay.
