***Not to be folded or roughly handled***

*Fort Saint George, Public Works Consultation of 25th August 1857.*

No. 29. Ordered that the following letter be despatched.

From H. FORBES, Esq., Acting Secretary to the Government of Fort Saint George; to W. HART, Esq., Secretary to the Government of Bombay, dated 21st August 1857, No. 1620.

SIR,

On the 4th Instant, I had the honor to inform you that this Government had availed themselves of the services of Lieutenant Taylor of the surveying vessel "Pownah," to survey the Harbor at Coringa during the time that his proceedings on the Western Coast were arrested by the South West monsoon.

2. Before Lieutenant Taylor left Madras, he represented that his duties at Coringa would be much facilitated if he were allowed the assistance of Mr. May the 1st Officer of the "Pownah," and as the Right Honorable the Governor in Council is desirous that he should return to his surveying duties on the other coast as soon as the weather will permit, and is of opinion that Mr. May's assistance will tend much to hasten his operations, His Lordship in Council has directed that gentleman to proceed at once to Coringa, and has directed me to request that you will communicate the fact to the Government of Bombay.

W. Hart, Esquire
Lee: & the Earl
of Bombay

Sir

We have in Charge
to Inform you that His
Government had
availed themselves
of the services of Lieut.
Jaglin of the Engineers
Vessel Dowcah, to
survey the Harbour at
Carwar during the
Monsoon. But his pro-
ceedings on the
Western Coast were
wrecked by the

South West direction.

Before Lord Dalhousie left Madras, he referred to the Court of Directors the question whether it would be advisable to allow the assistance of Mr. Maycock, the Officer of the Pascoal, and on the Coast in Persian Bay the Court returned answer to Sir Lushington dated 4th March that on the Malabar Coast as soon as the weather will permit and in the Persian Bay

Mr. Maycock assistance will lend much to facilitate his operations, Sir Lushington in Council has directed that Gentleman to proceed without loss of time to Cornija, and has directed me to request that you will communicate the same to the Govt. of Bombay
