Extract from the Proceedings of the Chief Engineer
in the Department of Public Works

Under date the 12th November 1857.-

Read again letter from the District Engineer of Tanjore, under Trichinopoly, under date the 6th and 11th of October 1857, and recorded in the diaries of the 12th and 21st of the same month.-

Resolved to submit to Government the foregoing application on behalf of Lieutenant Chrystie for two months leave on Sick Certificate to Trangambar.-

Resolved also to state that on Lieutenant Chrystie's arrival at Tranquebar from Trichinopoly his health had so greatly improved as apparently to render it unnecessary for him to be relieved from duty in Tanjore to which District he was subsequently reposted when Captain Crewe rejoined the Trichinopoly D. P. W. and the application was accordingly at Major Biddulph's suggestion withheld, but as it appears that the amendment of Lieutenant Chrystie's health has not been permanent, the Chief Engineer no longer delays the submission of the Certificate of his illness with a request that the leave may take effect from the 25th September 1857.-
