Fort Saint George, Public Works Consultation of 1st September 1857.

No. 49. Read the following Extract from the Proceedings of the Chief Engineer, dated 18th August 1857, No. 3023.

Read the following letter from J. BIRD, Esq., Collector of Trichinopoly; to Colonel C. E. FABER, Chief Engineer, dated 6th August 1857, No. 227.

SIR,

Adverting to your Circular No. L of 1857-58, with Extract from Proceedings, dated the 27th June 1857, and with special reference to para. 7 of Minutes of Consultation No. 1181, under date the 18th Idem, I have the honor to request you will supply me with the requisite number of blank forms printed on foolscap paper, in order to enable me to commence the preparation of the Irrigation Registers in English ordered to be kept by Government.

2. One month of the period contemplated by Government (vide para. 8) has already elapsed.

Resolved that a copy of the foregoing letter, No. 227, of the 6th Instant, from the Collector of Trichinopoly, requesting blank printed forms for the Irrigation Register, be submitted to Government, and to solicit that a number of the above forms be sent to the Central office for distribution.

(Signed) C. E. FABER, Colonel,
Chief Engineer.

No. 50. ORDER THEREON, No. 1662; dated 31st August 1857.

In para. 7 of the Extract Minutes of Consultation dated 23th June 1857, No. 1181, the Chief Engineer was desired to furnish all the Collectors with a sufficient number of blank forms of Irrigation Registers; and no intimation was made that a supply would be made from the Government Office. The forms for the Register having been furnished to the Chief Engineer with the Extract above quoted; all that is now requisite is that he should have it lithographed, and should have a sufficient number of sheets struck off for distribution. They may be sent to the Collectors in sections, properly stitched, each counting three sheets, so that they may be conveniently bound, when the list shall be complete in each District.

(Signed) H. FORBES,
Acting Secretary to Government.
