Fort Saint George, Public Works Consultation of 8th September 1857.

No. 32. Read the following Extract from the Minutes of Consultation in the Political Department, dated 15th July 1857, No. 549.

Para. 8. Paras. 11. to 13 of the Resident's Report will be communicated to the Public Works Department.

9. The Government trust that the works in progress for the extension of the cultivation of the Sirkar lands, will, as expected by the Resident, be shortly completed. Attention should be paid by the present Dewan to the improvement of the several roads referred to in para. 11.

Extract from a letter from the Resident of Travancore and Cochin; dated 31st May 1857, No. 28.

Para. 11. Every attention will be given by the Dewan to the improvement of the several roads passing through the Districts between Palghat and Coimbatore and Madura, but a great deal of expense has, as the Government are aware, already been incurred by the Sirkar on such objects, of which however the Civil Engineers do not appear to have been aware, or the Sirkar would not very recently have been asked to lay out an additional sum of 10,000 Rupees to build a Bridge across a stream which is not ankle deep during a great part of the year, and never unfordable above a day or two.

12. I did not learn that any thing had been yet done in regard to the Annicut proposed by me in 1854, across the Animalle river at Palatoly in the Company's limits, a mile or two below Tuttamungalum.

13. I found the 6 miles of road in the Company's country from Waddakancherry to the Cochin Frontier (road to Trichoor in very indifferent order) hardly passable for Carts in many places owing principally to the want of tolerably substantial Bridges over the little jungle streams, I addressed the Acting Collector on the subject.

No. 33. ORDER THEREON, No. 1683; dated 5th September 1857.

Ordered that copies of paras. 8 and 9 of the above Extract and of the Extract from the Resident's letter which accompanied it be communicated to the Chief Engineer.

2. The Resident will be furnished through the Political Department, with copies of the correspondence noted in the margin, shewing what has passed on the subject of the proposed annicut across the Animallee river.

From Chief Engineer 27th March 1857, No. 11236.
Order thereon, 8th April 1857, No. 663.

(Signed) H. FORBES,
Acting Secretary to Government.

Extract from a letter from the Resident of Travancore and Cochin, dated 31st May 1857, No. 28, paras: 11, 12 and 13.

11. Every attention will be given by the Dewan to the improvement of the several roads passing through the Districts between Palghat and Coimbatore and Madura, but a great deal of expence has, as the Government are aware, already been incurred by the Sirkar on such objects, of which however the Civil Engineers do not appear to have been aware, or the Sirkar would not very recently have been asked to lay out an additional sum of 10,000 Rupees to build a Bridge across a stream which is not ankle deep during a great part of the year, and never unfordable above a day or two.

Letter to Government, No. 49 of 24th ^{July} January 1855, paras: 10, 11 and 12.

12. I did not learn that any thing had been yet done in regard to the Anicut proposed by me in 1854, across the Animalle river at Palatoly in the Company's limits, a mile or two below Tuttamungaloni.

13. (True Extract.)

Acting Chief Secretary.
