No. 92. Read the following Petition from OOPLOOR SOOBAROW, late Marahmut Muddutgar of the District of Rajahmundry; to H. FORBES, Esq., Acting Secretary to Government, dated 7th September 1857.

MOST HONORED SIR,

With reference to Extract from the Minutes of Consultation under date 11th Ultimo, my service as Marahmut Muddutgar of 25 Rupees pay in the Collector's Cutcherry of this District has been dispensed with from the 1st Instant. I would therefore beg to remind your honor my trustworthy service as a Javaboonevis under you when the annicut work was prevalent in this District. As a proof to this you have adverted to in the annicut report submitted by you at your departure, my ability and experience in the performance of the Public duties which you would observe from the enclosed extract from your Report. I believe that there was not a single day vacant on which I hold no Government employ from the very beginning of my entering into the Public service. I have served the Honorable Government for 26 years; during which time I have acquired a full experience of managing whatever business that may be entrusted to me both in the Revenue and Police Departments including the duties of a Tahsildar, but I have never served in any Engineer Offices.

I would now most humbly beg to request your honor would be kind enough to send my Petition with your recommendation to Mr. Purvis as there are many employments are now vacant in his Collectorate. A memo. of my Government service, is herewith forwarded for your kind inspection.

Extract from the Annicut Report submitted by H. FORBES, Esq., the late Sub Collector of the Rajahmundry District; to T. PRENDERGAST, Esq., Collector of Do. do.

24. I have finally great pleasure in bringing to your notice the exemplary conduct of Ooploor Soobarow detached from your office to act as my Javaboonevis. A most excellent man of business and of good ability, he has devoted himself to my service in so zealous a manner that during four years one single day has never passed in which every report and every Urzee connected with the annicut has not been replied to on the day it was received and yet as many as 60 Urzees have been received and as many orders been issued in one day.

25. The patronage of my office is so limited that it was my intention at the close of the work to have asked you to bestow some mark of favor on Soobarow and my departure from the District renders me more anxious to do so. It is the sole request that I shall have occasion to make and it is made solely on Public grounds.

RAJAHMUNDRY,
8th June 1850.

(Signed) H. FORBES,
*Sub Collector.*

Ooploor Soobarow has been employed in transacting the duties of the salt Marahmut and School Department during the period I have had charge of the Sub Division, (about 7 months) and has discharged the work assigned to him to my satisfaction.
