No. 53. Read the following Extract from the Proceedings of the Government of India, in the Public Works Department, dated Fort William, the 28th August 1857, No. 4246.

Read the following letter from Colonel W. E. BAKER, Secretary to the Government of India; to W. HART, Esq., Secretary to the Government of Bombay, dated 28th August 1857, No. 4245.

SIR,

I am directed to acknowledge receipt of your letter, No. 2279 of 8th August 1857, and in reply to convey the decision of Government, as follows, on the subject of the reference made as to the application of the Travelling allowance Rules in para. 6 of the Notification No. 117 of 17th June 1856.

2. The Horse allowance admissible under Rules I. to V. can, in no case, be drawn along with the Tentage under Rule VI., and the latter can only be drawn when a Tent is actually kept and an Establishment for moving it, maintained.

3. The Mileage allowance, under Rules VIII. and IX., may be drawn in addition to Horse allowance or Tentage, but only for the distance travelled in excess of 20 miles in one day; and it is necessary that the Subordinate should have special sanction for the journey or journeys made exceeding 20 miles in one day.

4. The ambiguity spoken of by Captain Marriott in Rule X. arises from an error in printing. The previous Rules should have been referred to thus—"Rules VI. and VII. or VIII. and IX."

Copy of the foregoing forwarded to the Government of Fort Saint George for information.

By order of the Right Honorable the Governor General of India in Council.

(Signed) W. E. BAKER, Colonel,
Secretary to the Government of India.

No. 54. ORDER THEREON, No. 1836; dated 26th September 1857.

Ordered to be communicated to the Chief Engineer and to the Civil Auditor.
