Fort Saint George, Public Works Consultation of 29th September 1857.

No. 68. Read the following letter from G. L. PRENDERGAST, Esq., Accountant General; to H. FORBES, Esq., Acting Secretary to Government, dated 25th May 1857, No. 27.

SIR,

1. I have the honor to acknowledge the receipt of the Extract from the Minutes of Consultation, dated the 7th Instant, No. 883, directing me to furnish a clear Statement shewing the amount due by Mr. Overseer C. K. B. Huddleston* on account of advances made to him in England, and in this country, in view to a formal report being made on the subject to the Home Authorities. The sum of £75 or Rupees 750 was advanced to Mr. Huddleston in England, as communicated in the orders of Government, dated 5th April 1855, No. 393. On account of this advance Rupees 125 only, or two instalments (of Rupees 62-8 each) were recovered by the Sub Treasurer on the 7th April 1855, from his salary for February and March 1855. In addition to this sum, the salary due to the Overseer from 1st April to 4th May the date on which he proceeded to England, Rupees 282-4-1 was placed to the credit of London in further liquidation of the said advance. A balance of Rupees 342-11-11, appears still due out of the advance received in England above adverted to, as will appear by the Account Current of the transaction herewith submitted marked A.

* Of the Public Works Department.

2. The Account Current marked B, which also accompanies this, shews the recovery of Rupees 189-4-7 made from his salary from 4th February to 31st March 1855, for family payments, which payments it was understood were to be made in England. As no information of actual payments made in England on this account has been furnished to this office, I am unable to state whether the amount in question has been disbursed in England to the family of Mr. Huddleston, or any balance is still due by that Officer by reason of over payments on this account. It will be necessary to bring this subject to the notice of the Honorable the Court of Directors, with a view that they may recover the balance, if any, due on this account by Mr. Huddleston.

3. No advance was made to Mr. Overseer Huddleston *in this country*.

4. In Extract from the Minutes of Consultation dated 10th May 1855, No. 567, Government observed that they did not authorize the recovery of pay already disbursed to Mr. Huddleston, or the stoppage of any part of the sum allowed for passage money. No further recovery therefore, could have been made from him in this country, beyond the salary that was due at the time of his departure for Europe.
