***Not to be folded or roughly handled***

No. 16. Read the following Extract from the Proceedings of the Chief Engineer, dated 24th September 1857, No. 3969.

Read the following letter from Lieutenant J. MULLINS, District Engineer Nellore; to Colonel C. E. FABER Chief Engineer, dated Camp Cuddanootoolah, 7th September 1857, No. 1769.

SIR,

With reference to para. 13, of my letter No. 1347, dated 28th November 1856, I have the honor to request, that you will be good enough to allow the unfinished plan of the Annicut channels, to be returned to me, to allow of its completion and the preparation of a copy.

---

Resolved that the District Engineer Nellore be informed, with reference to his letter No. 1769, dated 7th September, that the plan and estimate of the Annicut channels were submitted to Government in December last for entry in the current Budget, but have not yet been returned to the Central Office.

2. Resolved also to submit a copy of Lieutenant Mullins's application to Government, with the Chief Engineer's recommendation, that it be complied with by the return of the plan alluded to.

(Signed) C. E. FABER, Colonel,
*Chief Engineer.*

---

No. 17. ORDER THEREON, No. 1864; dated 1st October 1857.

The Chief Engineer will be good enough to state what Annicut channels are referred to in the above Proceedings. He will also specify the particular plan required, giving the letter marked on it, as also the date and letter of his Report with which it was forwarded.

2. References of this nature should be disposed of by Official Memo, and need not form a part of the Proceedings of the Chief Engineer.

(Signed) H. FORBES,
*Acting Secretary to Government.*
