Read the following letter from Colonel J. C. BOULDERSON, Commissioner of Police; to E. MALTBY, Esq., Acting Chief Secretary to Government, Fort Saint George, dated 24th September 1857, No. 128.

SIR,

With reference to the Extract from Minutes of Consultation, Judicial Department, dated 14th Instant, No. 1177; conveying the approval of the Government of the additions and amendments proposed to be made to the building occupied as the office of the Commissioner of Police on the Pantheon Road, and directing that the necessary instructions be issued for the entry of the work in the Budget of 1858-59; I beg respectfully to submit that, as the resolution of Government will necessarily delay the execution and completion of the work; and that the proposed additions and amendments being urgently needed, owing to the want of sufficient space for the accommodation of the office, I trust His Lordship in Council will be pleased to authorize the Engineer's Department to proceed with the work at once, more especially as it is calculated not to cost more than 1,600 Rupees.

Ordered to be communicated to the Public Works Department, where instructions will be issued for the immediate execution of the additions and improvements to the office of the Commissioner of Police adverted to in the above letter.
