Fort Saint George, Public Works Consultation of 13th October 1857.

No. 68. Read the following letter from Colonel C. E. FABER, Chief Engineer; to H. FORBES, Esq., Acting Secretary to Government, dated 3rd October 1857, No. 4174.

SIR,

In reply to the order of Government No. 1858, of the 30th Ultimo, I do myself the honor to report, that the entire Extract from the Minutes Consultation No. 1701, of the 8th September, was inadvertently forwarded, instead of the 3rd para. only of that order, by reason it would seem of a too hasty perusal of that paragraph, by which the intention of Government for circulation generally, was extended to the entire order, whereas it plainly should have been limited to the last para. alone.

2. I have only to express my sincere regret at having overstepped the intentions of Government, and with the knowledge of all orders from the Central office coming under the immediate notice of Government, I trust that His Lordship in Council will readily receive the assurance of the error having been altogether unintentional on my own part.

No. 69. ORDER THEREON, No. 1924; dated 13th October 1857.

Ordered that the foregoing letter be recorded.

(Signed) H. FORBES,
Acting Secretary to Government.
