G.O. No. <i>2082</i>	Press Mis.
<i>54.55</i>	
Dated <i>24</i> — <i>10</i> — 18 <i>57</i>	

Not to be folded or roughly handled

Fort Saint George, Public Works Consultation of 29th October 1857.

No. 54. Read the following Extract from the Proceedings of the Chief Engineer, dated 5th October 1857, No. 4220.

Read the following letter from the District Engineer Nellore.

Forwards for sanction an indent on the Commissary General Madras for a Lithographic Press. } (Here enter 29th September 1857, No. 1914.)

Resolved to submit for the sanction of Government with the Chief Engineer's recommendation the indent in Triplicate by the District Engineer of Nellore for a Lithographic Press, and to request to know how it is to be charged. 4 Lithographic Presses have hitherto been supplied to the Public Works Department in the Provinces.

(Signed) C. E. FABER, Colonel,
Chief Engineer.

No. 55. ORDER THEREON, No. 2003; dated 24th October 1857.

The Government are unable to pass orders on the recommendation of the Chief Engineer contained in the above Proceedings, in the absence of the report called for in Extract Minutes Consultation dated 27th September 1856, No. 1751. It is more than a year since this report was called for; and the Government cannot but express surprise that another application for a Lithographic Press, should be made when that call remains unanswered. This is one of the many instances in which papers received in the Chief Engineer's Office are disposed of without reference to former papers on the subject.

(Signed) H. FORBES,
Acting Secretary to Government.

Secretary to Government P. H. D.
