No. 39. Read the following letter from Colonel C. E. FABER, Chief Engineer; to H. FORBES, Esq., Acting Secretary to Government, dated 7th November 1857, No. 5046.

SIR,

I have the honor to forward a plan for a Police Cutcherry in the Town of Chicacole in the Ganjam District, together with an estimate of its cost of construction.

1 Letter from the Acting Collector Ganjam No. 256, dated 11th June 1857.
1 Do. from the Acting District Engineer Ganjam No. 551, dated 9th June 1857.
1 Abstract estimate.
1 Plan.

2. The plan is revised, and provides as much accommodation as the original one, whilst at the same time, of such kind, that the Cutcherry may easily be defended on emergency.

3. It differs from the original plan in having a terraced instead of a tiled roof, loop holed instead of plain walls, and in having at two of its corners projections from which plunderers, or other riotous persons, standing or sitting near any of the walls, could be destroyed.

4. The estimate amounts to Rupees (2,340) two thousand, three hundred and forty, a plan of this description was called for in Extract from the Minutes of Consultation No. 1749, dated 15th September 1857 and it is in obedience to the orders contained in that document, that the project is now submitted for the favorable consideration of Government.

Letter from WILLIAM KNOX, Esq., Acting Collector of Ganjam; to Colonel C. E. FABER, Chief Engineer, dated Chutterpoor 11th June 1857, No. 256.

SIR,

I have the honor to transmit the accompanying plan and estimate from the District Engineer for the construction of a Police Cutcherry building in the Town of Chicacole, the present small house being not only very incommodious for the purpose but quite in ruins, and beg that sanction may be granted for the same.

Letter from Lieutenant E. H. HARRINGTON, Acting District Engineer Ganjam; to Colonel C. E. FABER, Chief Engineer, dated Camp at Aska, 9th June 1857, No. 551.

SIR,

I have the honor to forward a plan and estimate Rupees 1,450 for building a Cutcherry for the Head of Police at Chicacole. The building in which the Office is now held, is represented by Lieutenant Palmer, Executive Engineer, to be in a very dilapidated state, so much so that he does not recommend spending any money in its repair. The estimates are forwarded through the Acting Collector.

No. 40. ORDER THEREON, No. 2110; dated 16th November 1857.

Ordered to be referred to the Judicial Department with reference to Extract Minutes of Consultation in that Department dated the 4th September 1857, No. 1146.

Sir,

I have the honor to transmit the accompanying Plan and Estimate from the Divisional Engineer for the construction of a Police Cutchery building in the Town of Chicacole, the present Head Quarters being not only very inconvenient for the Police but quite insufficient for the due protection of the Records.

Sanction may be granted for the same.
