No. 56. Read the following Extract from the Minutes of Consultation in the Military Department, dated 29th October 1857.

Read the following letter from Colonel F. A. REID, Quarter Master General of the Army; to Colonel C. A. BROWNE, Secretary to Government, Military Department, dated 17th October 1857, No. 447.

SIR,

About the latter end of last year, the Garrison Hospital at Bangalore, which has hitherto been in the Fort, was for greater convenience established in the Cantonment where it now is.

The Officer Commanding Mysore Division reports that the Garrison Surgeon has made an urgent request for certain additions and improvements to be made, amounting to a cost of 480 Rupees.

By desire of His Excellency the Commander-in-Chief I beg to enclose the Plan and Estimate, and to solicit the sanction of Government to the same.

It was in contemplation to erect an entirely new Building, but as under any circumstances this could not be built for a considerable time, His Excellency trusts this small outlay may be sanctioned.

Approved, and the addition to the Hospital being important and much required, the work is sanctioned for immediate execution.

Actg. Dy. Secretary to Government.
