in the Department of Public Works. Fort Saint George
Under date the 24 November 1857

Read the following Letter

From the District Engineer Nellore

Continuing his former Report on the accident to
the Pennair Annicut and Reporting on the probable
outlay for Repairing the damage done to it amount-
ing to Rupees 56612-8-0

(Recd Enter 18 November 57
N 2369

Resolved, to forward for the immediate
information of Government the foregoing Further Report from the
District Engineer Nellore N 2369 dated 13 November 1857, detailing
at greater length the incidents of the breach in the Pennair Annicut
at Nellore during the flood of the 2nd Instant.

The Chief Engineer yields to Nellore his own final Report
on the accident and on the measures to be adopted, until he
receives Captain Ritherdon's promised sections of the work, but
Resolves in the meantime to strongly recommend the
Sanction of Government being given, in general terms to Captain
Prellis' proposed operations, including a line of Railway from
the quarries to the work.
