Read the following letter from Lieutenant J. G. RYVES, District Engineer of Trichinopoly; to Colonel C. E. FABER, Chief Engineer, dated Annymungolum, 14th November 1857, No. 945.

SIR,

Military Department.

With reference to Extract Minutes of Consultation No. 3889, under date 5th Instant, and more particularly to its third para. I have the honor to request that you will communicate to Government the fact that the large repairs to the European Barracks at this station have been in hand now more than a month.

2. It will be observed that the Government have by a communication from the Quarter Master General been impressed with the belief that unreasonable delay in the commencement of the above work by the Public Works Department, in this District was meditated.

Resolved, to forward to Government copy of the foregoing letter No. 945, dated 14th November 1857, from the District Engineer of Trichinopoly, to whom instructions have been issued to expedite the repairs as much as possible.
