No. 49. Read the following Extract from the Proceedings of the Chief Engineer, dated 21st November 1857, No. 5403.

Read the following letters from Captain F. H. RUNDALL, District Engineer Godavery Division; to Colonel C. E. FABER, Chief Engineer, dated Camp at Dowlaishweram, 6th October 1857, No. 608.

SIR,

I have the honor to bring to your notice that 2nd Grade 1st Class Sub Overseer Nadeemoottoo has been reported to me by each Officer under whose orders I have placed him, as quite unfit for the duties required from a Sub Overseer of his grade. I have tried him under 4 different Officers who have all similarly reported on him. As he has been a long time in the Department I would not recommend his entire dismissal, but I must certainly advocate his being placed on the grade of a maistry or lowest Grade of the 2nd Class. When he would have to work only as a subordinate on any work. Being a Southern man perhaps a removal to his own country might be of use to him and he might get on better amongst his own people.

From Captain F. H. RUNDALL, District Engineer Godavery Division; to Colonel C. E. FABER, Chief Engineer, dated Camp at Dowlaishweram, 7th November 1857, No. 682.

SIR,

With reference to Extract from your Proceedings No. 4729, dated 27th Ultimo. I have the honor to state that the promotion to the 2nd Grade of the 1st Class Sub Overseer recommended to be made as follows.
