No. 5. Read the following Extract from the Proceedings of the Chief Engineer, dated 3rd December 1857, No. 5665.

Read the following letter from Lieutenant E. A. FOORD, District Engineer, South Arcot; to Colonel C. E. FABER, Chief Engineer, dated Tindevanum, 26th November 1857, No. 356.

SIR,

With reference to Extract from your Proceedings of the 21st November 1857, No. 5415, I have the honor to request you will obtain the authority of Government for the appointment retrospectively of Overseer Bateman to the charge of the fourth executive Range in South Arcot, during the months of August and September, that he may be enabled to draw the extra allowance for those months, agreeably to the orders of the Government of India, communicated in Extract Minutes Consultation of the 10th November, No. 2087.

2. Mr. Bateman was appointed by me of the charge of the 4th Range on Lieutenant Hamilton being ordered to rejoin his regiment. There was no one else in the district whom I could have appointed, as the two Assistant Engineers and the Sub-Engineer had already sufficiently extensive charges. He performed his duties in a very satisfactory manner, and as he had greatly increased responsibility and was put to greater expense in travelling, I trust he will be allowed to draw the increased allowance for the two months he was in charge.

Resolved to forward to Government copy of the foregoing letter No. 356, dated 26th November 1857, from the District Engineer of South Arcot, with the Chief Engineer's strong recommendation that the nomination of Overseer Bateman to the charge of the 4th Executive Range of that District may be sanctioned, retrospectively, for the months of August and September 1857, in view to his receiving the allowance recently authorized by the Government of India to Members of the Upper Subordinate Department Officiating in the higher grade communicated in Extract Minutes Consultation No. 2087, dated 10th November 1857.
