No. 30. Read the following Extract from the Minutes of Consultation in the Ecclesiastical Department, dated 2nd December 1857, No. 403.

Read again letter from the Venerable the Archdeacon of Madras, dated 2nd January 1857.

Read also the following Extract Minutes of Consultation in the Public Works Department.

Referring copy of a letter from the Chief Engineer, submitting a Report from the District Engineer of Vizagapatam on the Church at Vizianagrum, stating that it requires the most trifling repairs for which an Estimate will be furnished. } (Here enter 19th November 1857, No. 2126.)

In his letter to the Right Reverend the Lord Bishop of the 5th September 1856, the Chaplain of Vizagapatam represents that the Church at Vizianagrum, (an Out-Station of that Chaplaincy,) built by Subscription, is in need of repair, and that the resident Community, who have hitherto defrayed the expense on this account and kept up the Church, are unable any longer to do so, and that they are desirous therefore to transfer the building to Government. In this arrangement both the Bishop and the Venerable the Archdeacon concur.

2. From the Report of the Acting Engineer of the District, dated 18th October 1857, it appears that the Church, which is stated to be a remarkably neat, airy and convenient building, and placed in a good situation, is in excellent order, requiring but little or no repair.

3. The Government direct that the Church be brought on the Return of Public Buildings and that the Chief Engineer submit, through the Department of Public Works, an Estimate of the trifling repairs required to it.
