Read the the following Extract from the Proceedings of the Board of Revenue, dated 27th November 1857, No. 4190.

Read letter from the Acting Collector of Ganjam, dated 22nd September 1857.

(Here enter No. 147.)

The Board concur with the Collector that a Bungalow is very necessary at the rising port of Calingapatam and they resolve to recommend this project to the Chief Engineer.

2. As regards Chutterpore the Board request further information as to the number of bonâ fide Travellers entitled to Bungalow accommodation who have passed through it during the last year.

3. They are not aware that the place is one of much importance, and it is on the confines of the Districts.

4. The Board remark that in the Plan only one Bath place is provided, two other might be added with advantage as shown in pencil, and the building might thus accommodate 3 persons when necessary.

Letter From WILLIAM KNOX Esquire, Acting Collector of Ganjam ; to J. D. SIM, Esq., Acting Secretary to the Board of Revenue, Fort St. George, dated Chetterpore, 22nd September 1857, No. 147.

SIR,

I have the honor to submit herewith a Plan, two Estimates &c. for constructing 2nd Class Traveller's Bungalows at Calingapatam and Chutterpoor at an estimated total Cost of Rupees 2,870, and request that the Board will be pleased to obtain the sanction of Government for their construction.

The port of Calingapatam is as you are aware fast growing in to importance passengers frequently land or embark there and a place in which to remain till boats or bearers were ready would be a great convenience, it would also be found very useful to Merchants and others going there on business for a few days to despatch their ships &c. The houses at the station are all occupied.

There is no Bungalow at Chutterpoor and no available place to shelter a traveller who does not happen to know the Collector or his assistant, parties frequently pass through en-route to Calcutta. It often happens that Captains of ships have come to the station on business, and have no place to put up or get their meals. I trust therefore the Board will support these propositions.

Resolved, to submit to Government the foregoing Extract from the Proceedings of the Board of Revenue, under date the 27th November 1857, forwarding a letter from the Acting Collector of Ganjam of the 22nd September 1857, No. 147, giving cover to Plans and Estimates for the construction of 2nd Class Bungalows at Calingapatam and Chutterpoor in the Ganjam District, and with reference to the opinion of the Board, to recommend the sanction of the estimates amounting to Rupees (1350) one thousand three hundred and fifty, for the Bungalow at Calingapatam, and its entry in the outgoing Budget in the Government Office, it having been examined and found correct, and calculated on moderate but sufficient data.
