No. 131. Read the following Extract from the Proceedings of the Chief Engineer, dated 14th December 1857, No. 5947.

Read the following letter from Lieutenant J. BEAN, District Engineer of Malabar; to Colonel C. E. FABER, Chief Engineer, dated Calicut, 2nd December 1857, No. 1161.

SIR,

I have the honor to bring to your notice that your endorsements No. 4178, and No. 4329, dated 3rd and 9th October 1857, on Petitions addressed to you by Mooneapah Moodelliar a Sub Overseer 1st Class 2nd Grade, were returned to me from the dead letter office, as the above Petitioner dated his Petitions simply Madras and I forwarded them to Madras directing that enquiries should be made at your office.

I beg further to state that this man was appointed to my District so long ago as the 26th May 1857, in your Extract of Proceedings No. 646 dated 26th May 1857, and that he has not done a day's service in the Division. I request therefore that you will be so good as to allow me an Overseer of experience in his place, as I have felt the want of more executives to carry out my works in the Ferry Fund.

Letter from Lieutenant C. SCOTT, District Engineer Madura; to Colonel C. E. FABER, Chief Engineer, dated Madura, 24th July 1857, No. 522.

SIR,

With reference to the Government Notification of the 18th Instant, remanding Assistant Overseer T. Franklin to his Corps, I have the honor to represent that that individual having had 6 years experience in the Department of Public Works, and having steadily availed himself of every opportunity of improvement besides always displaying the most laudable zeal and diligence in the performance of his duty, is now a most valuable man as an Assistant Overseer, and I request that you will be good enough to make application to Government, that in the event of his services being no longer required with his Corps he may on the occurrence of a vacancy be re-instated in his present employment.

Resolved to forward to Government a copy of the letter from the District Engineer of Malabar No. 1161, dated 2nd December 1857, and to recommend that Sub Overseer Mooneapah Moodelly, 1st Class 2nd Grade, be struck off the Rolls of the Department Public Works.

2. Resolved also to forward to Government a copy of a letter No. 522, dated 24th July from the District Engineer of Madura, recommending for employment in the Department Public Works, Mr. Franklin, formerly an Ordinance Artificer who has since purchased his discharge, and to state that he is a fit person to take the place of Mooneapah Moodelly.

(Signed) C. E. FABER, Colonel,
Chief Engineer.

No. 132. ORDER THEREON, No. 2392; dated 24th December 1857.

The Government cannot sanction the dismissal of the Sub Overseer Mooneappa Moodelly, without more information as to the circumstances under which it has been found necessary to recommend his removal. Colonel Faber should also submit the defence of the Sub Overseer to any charges that may have been brought against him.
