It will not, I think, be expected that I
should enter into details explanatory of
this difference, because I anticipated it, for reasons given in my communication under reference,
but the chief cause of the variation may be ascribed to the revised statement including the ex-
penditure out of Local Funds, and also to its embracing the value of lands taken up for Railway
purposes ; whereas the original statement did not take in similar charges, it having been pre-
pared agreeably to the return furnished by Collectors, which did not include the same.

No. 40. ORDER THEREON, No. 316; dated 17th February 1857.

Ordered that the foregoing letter be recorded.
