No. 17. ORDER THEREON, No. 330 ; dated 19th February 1857.

The Government in Minutes Consultation dated 15th October 1856, No. 1879, suggested the payment of a gratuity to Viyappah, because his service was reported by the District Engineer to have extended over only sixteen years; they however, now observe from the Collector's statement furnished to Lieutenant Moberly, that the Maistry has been in the Company's service for upwards of 24 years. The Chief Engineer will therefore be good enough to submit an application according to the rules, and in the usual form, for a pension to the Maistry, if he can produce the necessary Medical Certificate.

Acting Secretary to Government.
