G.O. No.	77	Press
		Mis.
Dated	27/12/1857	

Not to be folded or roughly handled

Fort Saint George, Public Works Consultation of 24th February 1857.

No. 53. Read the following letter from Captain C. C. JOHNSTON, Acting Superintending Engineer, Northern Circle, in charge of the Central Office of Public Works; to H. FORBES, Esq., Acting Secretary to Government, D. P. W., dated 9th February 1857, No. 10157.

Sir,

I have the honor to request the orders of Government, respecting the amount of pay to be drawn by the Executive Officers enumerated in the accompanying Statements, in which is exhibited the salaries to which they are now entitled, and those drawn by them prior to the publication of the supplement to the Fort Saint George Gazette, dated 28th January 1857.

2. Under the impression that Government do not intend any reduction to be made in the salaries of those Officers, I beg leave to suggest, that renewed validity should be given to the order contained in Extract Minutes Consultation No. 534, dated 3rd May 1855, appointing the Uncovenanted class.

3. An order of Government will also I believe be required, as an authority to the Civil Auditor to continue the payment of the salaries of Mr. Fraser, and the other Covenanted Civil Engineers named in the Statement, and a further order, specifying the amount of pay to be drawn by the officiating Garrison Engineer, and whether or not that Officer is to be entitled to travelling allowance.

No. 54. ORDER THEREON, No. 319; dated 21st February 1857.

The Government observe that among the six Covenanted Civil Engineers sent out from England only two, viz. Messrs. Dopping and Moncrieff, have been provided in the new arrangement with salaries equal to the sums they were hitherto drawing, and that among the six Uncovenanted Civil Engineers appointed by the order of 3rd May 1855, only Mr. Kennedy holds a situation of emolument higher than his sanctioned salary. All the other Civil Engineers as also the four Covenanted Overseers sent out from England have been appointed to grades the salaries attached to which are less than the pay that has been guaranteed to them.

2. The salaries of these Officers having however been either sanctioned by the Government of India, or fixed by the Honorable Court, the Right Honorable the Governor in Council is pleased to continue to the following Gentlemen the salaries set opposite to their names, being the amount hitherto drawn by them on the understanding that the allowances are personal and will not be continued in succession to any Officer or Overseer differently situated from those whose case is now under consideration.
